To Our Valued Guests:

As many of you know the Covid-19 Virus has had a detrimental effect on everyone's lives and daily routines. On Saturday March 14<sup>th</sup> we made a conscientious decision to temporarily close the restaurant. We did this for the specific reason to protect the health and well being of our employees, their families and our guests. It is our belief that by doing so that we can be part of the solution to help stop the threat of this deadly virus.

We want all of you to know how much we appreciate your support and business. We will work as quickly as humanly possible to resume normal business once the current situation and the threat of the virus is contained and eliminated.

We wish all of you the best. Please stay safe, healthy and with everyone's efforts we can all help eradicate this virus once and for all.

If anyone has questions or concerns about parties or reservations you may have booked please consider rescheduling at another date in the future. You are welcome to contact me directly @ 682-888-3884 to discuss any questions you may have.

Wishing you all the best, I remain.

Kindest Regards,
